Innosuisse – Swiss Innovation Agency

Swiss start-ups solve the problem

A driving force for the entire economy

- 400 new companies each year
- 50'000 Jobs
- CHF 2.4 billion invested in 2024
- 20 unicorns

Strong but scattered

- Numerous regions
- Numerous industries
- Numerous founders

Innosuisse & Startupticker.ch

Creating transparency through

- Website
- Startup Investment Report
- Data-based performance comparisons

Used by

- Governments
- Investors
- Start-ups

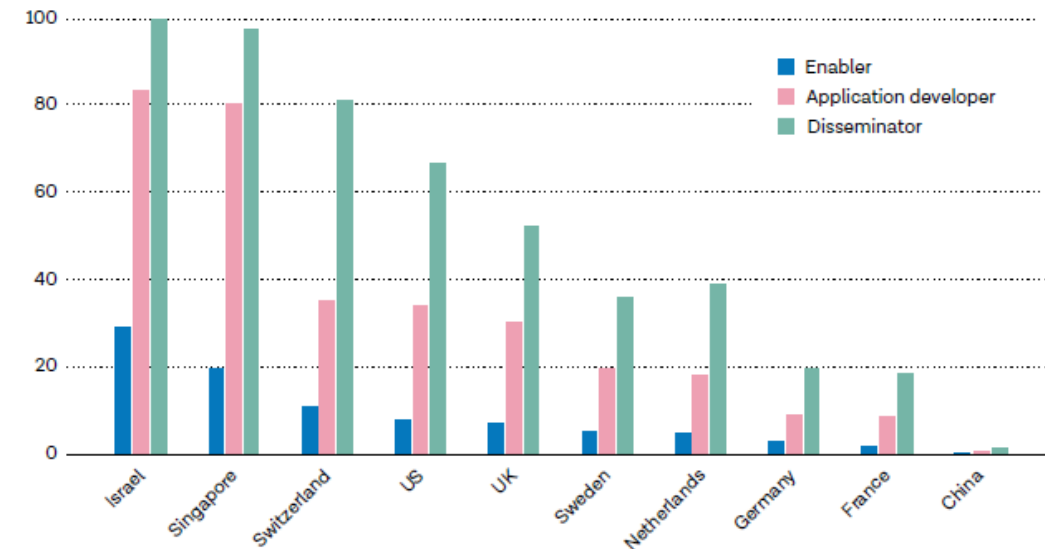

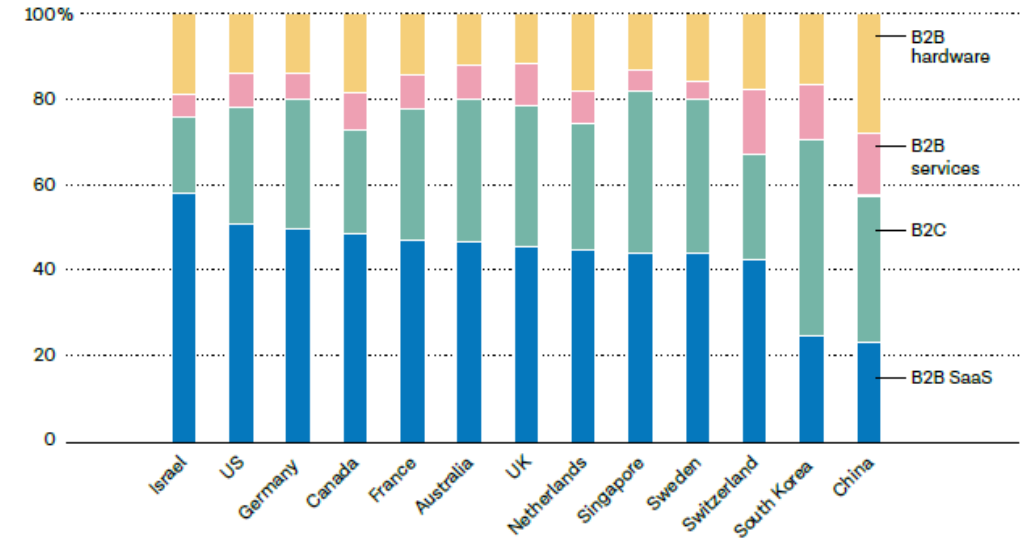

Three data bases, millions of records

- Startupticker database
- Global database from Crunchbase
- Commercial register

EVOS AG (June)	1.8	micro/nano	early stage	ZH	V, T	Privilege Ventures, Zürcher Kantonalbank, several family offices, private investors

Challenges

- Recognising trends with semantic search
- Dashboard on the Startupticker website to perform simple analyses

Make a difference

- Small, not for profit organisation
- Eager to implement what you develop
- Trusted by start-ups, supporters and investors
